ALCHEMY OF THE SPIRIT

a film by
STEVE BALDERSON

A detailed illustration of a futuristic space station interior. The station has a circular, multi-level design with blue and orange metallic walls. In the center, a large white spherical robot with a camera lens and a small antenna floats. Other smaller robots are visible on different levels. The station is set against a backdrop of a blue sky with clouds, transitioning into a starry space. A small satellite or probe is visible in the distance. The title 'ORBITAL CHRISTMAS' is written in a white, spaced-out, sans-serif font across the middle of the image.
