We received 58 submissions to #CICHFF2020, congratulations to Award Winners, Finalists, Semi-finalists and Selected submitters! Thanks to Babak Safari for poster(s) and other artwork.

The last day to submit for #CICHFF2020 was March 28th and all submitters were notified by April 1, 2020.

We very much appreciate your positive reviews. Thanks for sharing our awards and posts with your Colorado-based social media to include Twitter, Instagram, and Facebook.

We anticipate submissions from many countries. Activists submit short & feature-length films, screenplays, music/songs, art and photos for consideration by our team of 3-8 judges, which may change seasonally.

As our festival grows locally in popularity & sponsorship, we hope to invite partners & volunteers. We hope to hold panels and debates. In the meantime, our events may be lightly attended, so please plan accordingly.

All plans and practices are subject to change without notice. If you're interested in volunteering, helping judge submissions and/or writing film & music reviews, which we may publish at our websites, please don't hesitate to TEXT/CALL (720) 298-1524.

Find our festival online, [ONEPlusphi TV](#). Thanks again! See you next year!
