**“...You say you got a real solution. Well, you know, We’d all love to see the plan! You ask me for a contribution. Well, you know, We’re all doing what we can. But if you want money For people with minds that hate, All I can tell you is brother you have to wait!” *Revolution*, John Lennon.**

"We can see why this video is getting so much attention. Stylish and visual, suggestive and important. Color, lighting and mood set the stage for the message and the performers do not disappoint. The director knocks it out of the park."
